Request for Auction Items

Due Friday, October 31 to UMCF office

Last year, UMCF donors helped raise \$125,000 for the Grafton Family Clinic expansion, adding 13 new exam rooms for women's health and visiting specialists. This year, we are planning for an even bigger impact on health care delivery in our region!

We would very much appreciate any auction items, prizes (e.g., gift cards) or cash donations toward this year's Harvest Auction goal. Please include a full list of all items included in baskets, plus a fair market value estimate, to ensure accurate listings and tax receipts.

Live auction items will be chosen by the UMCF board from silent auction items. Silent auction items will be open for bidding the week prior to the in-person event.

In return for your donation, you will be recognized on our website and at our in-person event.
